About Project

Euro Clock Tower is situated in the central location of the city and in a highly desirable residential area of North Nazimabad VIP Block L in front of 320 feet wide road with sun-filled exposure, delightful views and fresh open air.

A 9 story Residential development consisting of 63 apartments and ground floor contains commercial space to create an active street frontage. When you live at Euro Clock Tower, you gain more than a great home and access to a wide range of thoughtful services and conveniences.

The residential accommodation comprises of 2 Bed and 3 Bed with TV Lounge apartments. The features and design is in accordance with the aspirations of modern requirements with sweeping curves in elevation.

Euro Clock Tower offers the perfect balance between living, work and leisure. From here, you have easy access to highways for business and travel. Within few minutes you can be at School, Hospital, Restaurant, Library or Parks to experience the cultural offerings of Karachi.

Unique floor plan layouts and size characterize these apartments. Every aspect has been designed to make your days a little more luxurious and convenient. Life at Euro Clock Tower is comfortable; stimulating and relaxing at the same time.

Life begins at beautiful Euro Clock Tower

Exclusive features you'll find at Euro Clock Tower

Home Automation

Today's 'smart home' needs to do more than to provide lighting ambience or multi-room audio and video at the touch of a button. In times of global warming, carbon footprints and ever increasing energy bills, intelligent building automation systems need to make a measurable contribution to the energy efficiency of a modern home.
